Education for Ministry - Year One: September 2016 until June 2017

Beginning in September, there will be an opportunity for new participants from the deanery to begin the Education for Ministry program. Now is the time to start thinking about this. EfM is a four-year program of theological education for lay people. The commitment is high, but the rewards are many as you learn to reflect theologically on your own life and on the world in which we live. First year involves an intensive study of the Old Testament scriptures. The following three years are on the topics of: New Testament, Church History, Theology, Ethics, and Ecumenism/Inter-Faith Dialogue. All years have a strong component of practical theological reflection. In many dioceses this is the standard formation program for lay readers, but anyone seeking greater maturity in their faith will find the program enriching. Canon Lynn Dillabough is the registrar in the Deanery and co-mentors the program with the Rev. Ruth Charleau. You may contact her if you would like any more information.
