Magog Boat Trip

The Parish of St. Luke's presents an interesting proposal for your consideration. Are you planning to attend the 150th Anniversary Celebration in Georgeville? Would you enjoy making the trip from Magog to Georgeville via a large tour boat? The return trip would be by autobus as the boat has a schedule to maintain. The cost per person would be \$10 with any surplus (after expenses paid) going to the Deanery. Hopefully, sponsors will offset the bulk of the expenditures. In order for this proposal to materialize it is urgent that the planners have a showing of interest from parishioners through out the Deanery. If you are interested please reply by email to robert.chapman@sympatico.ca before **Friday July 29th**. Should you not have access to e-mail service facilities, please call Robert (St Luke's People's Warden) in the evenings at [819 562 2133](tel:8195622133). Further details will follow if sufficient interest is demonstrated. Mr. Rene Prince of the Parish of St. Luke has proposed this project.
