Children's Choir, Leslie Young - I would like to start a children's choir, starting with children from the United, Anglican, Baptist and Presbyterian churches. I would start with children from Grade 2 and up. The goal is really to teach them musical skills that they can use, as well as to form a community of young singers with our churches as the base. Music will be sacred. Children younger than seven could be involved in a minimal way for one or two rehearsals to sing something very simple, but they will not be the focus of the choir. I plan to have physical meeting of all of those concerned during the first week of October. My plan is to start in October with maybe 6 or 8 - Saturday morning rehearsals of 45 minutes in order to have something ready by Christmas. Contact Leslie Young lesliemartinyoung@gmail.com
