St Ephrem's Church - Fund raising dinner on May 26, at the Notre-Dame-de Perpétuel Church in Sherbrooke. Please refer to the attachment included for more information. The goal of this event is of course to raise money for our church and for the refugees that are still coming in! However we are also anxious to share with you our culture and excellent food. We will have a short presentation of the history of our church and a little bit of

music coupled with our typical syrian dances. We hope to share this moment with many of you. Unfortunately I am late in advertising all this but the tickets must be sold by May 1. This will leave us time to buy the appropriate amount of food and to start cooking. The church basement can hold up to 160 people comfortably but not enough room for kids to run around. For this reason and because this is our first experience in serving large crowds we prefer not to invite young children to the dinner. We hope to share this moment with many of you. If you are interested in participating please refer to my contact information on the invitation.
