Seeking God in a Secular Age

Charles Taylor, a native of Quebec, is one of the world's most important philosophers. His 2007 book, *A Secular Age*, has been praised as a "magnificent epoch-making work" in describing the origins of secularism and its relationship to contemporary religion. Our discussion group reads and reflects on select portions of *A Secular Age*, alongside other works that elucidate the text. We also turn to other Christian and non-Christian thinkers in order to supplement Taylor's challenging ideas. All are welcome, regardless of faith or background. We meet Wednesdays from 7:00 to 8:30 pm, at St George, Lennoxville.
